

Our family wanted to take this opportunity to thank everyone for the extremely generous support and contributions you provided to the Jarret Feucht Memorial Fund this year. Your support helped us exceed our fund raising goal at the first annual JRF Memorial Golf Tournament and enabled us to raise over \$20,000 for the students of the Olentangy School District.

After losing our loving son, Jarret, it has sometimes been tough to count our blessings or appreciate God's plan for us. Jarret taught us a wonderful lesson about how good it feels to give unconditionally to other people and to always count our many blessings. It was for this very reason that the Jarret Feucht Memorial Fund was established. Jarret's legacy of giving will continue to live on through the work of the Jarret Feucht Memorial Fund and through the generous support of donors like you.

We feel very blessed to live in a community that has shown us such overwhelming love and support. Friends, family and colleagues gathered from all over to participate in our first annual golf tournament.

It is our hope that you will join us again next year.

God Bless,
The Feucht Family
Eric, Jennifer, Ashley and baby Jack.
